Singapore Mathematical Olympiad 2012 (SMO 2012) (Junior Section)

What is SMO 2012 (Junior Section)?

The competition is organised by the Singapore Mathematical Society with the objective to test the ingenuity and mathematical problem-solving ability of the participants, and to discover and encourage mathematical **talents in secondary schools** in Singapore.

Who can participate in SMO 2012 (Junior Section)?

The competition is open to all **full time Special / Express** course students who were born **on or after 2 January 1998** and **full time Normal (Academic) / (Technical)** course students who were born **on or after 2 January 1997**, and who have never attended any tertiary level educational institution on a full time basis.

SMO 2012 (Junior Section) @ Math Arena

In preparation for the forthcoming SMO 2012 (Junior Section) in **May 2012**, Math Arena is conducting a **comprehensive training program** which is specially tailored to enhance our students' Mathematical knowledge and equip them with essential aptitude to achieve excellent result in the competition. The program will run in **five modules**.

Module 1 to 3 is also suitable for students who prefer to **learn in advance the secondary school Mathematics syllabus** to prepare them for the next level.
